In these fast-paced times, a **diagnosis of cancer** brings the world to a crashing halt ... you, your family, friends, and co-workers want the **best treatment available**; the **best care offered** to ensure the **best chance** of living a complete, healthy, and happy life.

Choc'laCure was born from these personal experiences and is dedicated to purchasing equipment for treatment of men, women, and children at the **Saskatoon Cancer Centre**.

In **2007**, the **Choc'laCure** campaign raised **\$60,000** for the purchase of Model Based Segmentation software, providing the technicians the tool to design radiation treatment in a far more accurate and time-saving manner. The **2008** campaign raised **\$96,000** for the purchase of a Cone Beam CT Scanner, bringing all three units used in radiation treatment up to date, allowing them to run at full capacity.

Our committee is already hard at work planning another spectacular event in support of the Saskatoon Cancer Centre. This year's **Choc'laCure Gala** will take place **Friday, November 6**, at Dutch Growers Garden Centre.

In the past, **the support of our community has been inspiring** ... and we hope that tradition continues! The money raised over the course of the past few years has made a considerable difference in the precision of treatment and the time it takes for treatment planning of patients treated **here in Saskatoon**. Keep in mind that this includes the population in surrounding communities and the northern half of the province. This continues to be our goal and at the present time, we are in consultation with the Saskatchewan Cancer Agency and the Saskatoon Cancer Centre staff with regard to the funding direction of this year's campaign.

We invite you to **help make a difference** and become involved as a **Sponsor** of this unique charity event.

How can you help?

- **Donate financially** at one of six levels (Presenting Sponsor, Chocolate Supreme, Chocolate Bliss, Chocolate Delight, Chocolate Lover, and Chocoholic)
- **Underwrite Services/Products** used at the event
- **Donate Live or Silent Auction Items**
- **Sponsor a table** to be donated for use by the Saskatoon Cancer Centre (Chocolate Gift)
- **Purchase a table or individual tickets**
